I have been part of Didsbury life since 1984 when I moved here with my parents (Alan and Mary Butterworth) who managed The Manor House on Wilmslow Rd. I live in Didsbury with my husband and six-year-old daughter. We run our Mystery Shopping company (ABa Quality Monitoring Ltd) from Heaton Mersey.

I first became involved with DAF as a corporate sponsor last year. My particular interest lies in promoting events for younger children – creating opportunities for them to get up close and personal with different areas of the arts, without families feeling inhibited in any way.
